Re: *Pork Antitrust Litigation*: Joint Federal Opposition Brief

Dear Counsel:

I write on behalf of Indiana Packers Corporation regarding Plaintiffs' Opposition to Defendants' Joint Motion to Dismiss The DPP's Complaint and the Federal Law Claims in the IPP Complaints (Dkt. 476).

Your brief states (at 3) that "Indiana Packers reduced its pork processing in 2012." However, no such allegation appears in the amended complaints, nor do you provide the factual basis for this assertion.

Given the importance of the issue of supply cuts to the Court's consideration of the motions to dismiss, please provide a citation for your assertion by March 2 so that we can incorporate it into our reply brief.

Sincerely,

A handwritten signature in blue ink that reads "Britt M. Miller".
